# WHITMAN COUNTY PUBLIC WORKS
# SMALL WORKS WORKSHEET

**PROJECT NAME: 2022 Road Stabilization Project in the Pullman, WA Area**
**DESCRIPTION: (Materials, Application, Supplies, Equipment)**
Whitman County is soliciting quotes for delivery and application of Magnesium Chloride to sections of 3 roads for a total of 6.37 miles of treated roadway. Roads to have material applied are as follows:

- Brayton Rd. 3.23 miles @ 20' wide
- Hilty Rd. 2.63 miles @ 19' wide
- Sunset Rd .51 miles @ 22' wide

Whitman County will do all prep work and traffic control for the project. Successful bidder will deliver and apply a total of 0.30 gallons/square yard on all roads. This application could be made in one shot at 0.30 gallons/square yard or two shots at 0.15 gallons/square yard, totaling 0.30 gallons/square yard. Bidder must use a metered distributor for an accurate and even application. Bidder will coordinate with Whitman County to ensure roadway is prepared properly prior to application. Whitman County would like to target a May 24th, 2022 start date for this project. Whitman County crews work 10-hour days Monday thru Thursday. Application should be for an estimated total of 73,800 square yards, or 22,140 gallons, or 120 Tons (10.84 pounds/gallon) applied knowing that the actual gallons and/or tons may differ. Material delivered must be large enough in quantity to complete at least one road per day.

This is considered a public works project so prevailing wage applies. A copy of the wages paid statement will need to be provided to Whitman County at the end of the project. Invoices will be paid within 30 days of receipt.

All delivered materials, equipment, application and supply costs, without tax, should be included in the quote. Please provide costs per ton and an estimated total cost **not** including tax.
