FLOODPLAIN DEVELOPMENT PERMIT

Permit Number_____

I agree to provide an as-built certification by an engineer licensed in the State of Washington stating that the project has restored all floodplain areas to pre-project contours and that all spoil materials have been disposed of outside the flood zone. The certification must be the original stamped document.

Applicant Acknowledgement: I understand that the issuance of this permit is contingent upon the above information being correct and that the plans and supporting data have been or shall be provided as required. I agree to comply with all applicable provisions of Chapter 9.00 Section 9.100 of the Whitman County Zoning Ordinance and all other laws or ordinances affecting the proposed development.

Further, I also understand that compliance with the terms of this permit is no guarantee that the permitted development will not flood. The information used to determine the base elevation for this permit is approximate. Larger floods may occur. This permit shall not create liability on the part of Whitman County or any officer or employee thereof for any flood damages.

Applicant Signature_____Date_____

Date of issuance_____By_____

Permit fee received_____Bond Amount_____

Date by which as-built certification to be received_____
