

## **Table of Contents**

### **A. Tower Heights**

1. Trends in Wind Turbine Heights Over the Last 25 Years
2. Wind Turbines: the Bigger, the Better
3. Berkeley Lab study shows significant potential for further turbine scaling
4. The World's Largest Wind Turbine Will Smash Previous Records
5. Journalism for energy transition
6. Vestas Powers up first of its huge flagship offshore wind turbines
7. Huge new wind turbines face backlash
8. huge flagship offshore wind turbines
9. Examining the trends of 35 years growth of key wind turbines components
10. Increasing Wind Turbine Tower Heights: Opportunities and Challenges
11. Land-Based Wind Market Report- Executive Summary
12. Land-Based Wind Market Report
13. World's Tallest Wind Turbine Begins Construction in Schipkau/ Gicon  
Launches 365m Project in Germany
14. Using the United States Wind Turbine Database to Identify Increasing Turbine  
Size, Capacity and Other Development Trends
15. Randy Abrahamson- Harvest Hills Wind Project Updates and Fieldwork  
Notification
16. Wind farm powers up on the Palouse

### **B. Landmarks**

1. Carol Black- Critical Areas Letter April 24
2. Jack Lien- Palouse County Photo Tours and Workshops
3. Photo- 9-mile radius around landmarks
4. Photo- 7-mile radius around landmarks
5. Denis Tracy Letter, RE: Setbacks Near Landmarks
6. Carol Black- December 1 Letter in Support of exclusion zones
7. Lava Ridge Wind Project
8. BLM Advances Lava Ridge Wind Project in Southern Idaho
9. BLM Rejects Massive Nev Wind Project
10. Jean Arnold Email- Comment on Harvest Hills Wind Farm Proposal
11. A Paradise Called the Palouse

12. Picture Perfect
13. The Palouse
14. NY Times 2025

**C. Other Jurisdictions**

1. Findings of Facts- 3-mile Setback, Buffalo County, Nebraska
2. Setbacks for Turbines from Structure owned by Non-Participants
3. Buffalo County, Nebraska- Resolution 2023-09
4. Julie Clarkson email June 18<sup>th</sup> material- Other Jurisdictions
5. Wind Energy Facilities - Carteret County, NC
6. Umatilla County Ordinance No. 2012-04
7. Town of Sumner Industrial Wind Energy Facility Ordinance
8. Julie Clarkson email Sept.10<sup>th</sup> Material- Other Jurisdictions
9. September 10<sup>th</sup>, 2025 Letter from Julie Clarkson
10. Bavaria 10H Rule

**D. Ag Impacts and Property Lines**

1. Todd Imeson Online Submittal
2. Dean Kinzer- Aerial Application vs. Ground Application Cost per Acre
3. Industrial Wind Turbines and Non-Participating Neighboring Farmland
4. Ag Aerial Applicator
5. Shantyl McGuire email- Aviation Safety Setbacks
6. Aerial Spraying- Policy Initiatives
7. Jared & Sara Segebartt- Palouse Ag Aviation
8. National Agricultural Aviation Association; 1 of 2 NAAA
9. National Agricultural Aviation Association; Low Altitude Obstructions
10. National Agricultural Aviation Association Newsletter
11. Wells County Zoning Ordinance
12. Gage County, Nebraska
13. Mason County, Kentucky
14. Kosciusko County Zoning Ordinance
15. Brown County, Nebraska
16. Washoe County Development Code

## **E. Houses (Noise, Visual Impacts, and Property Value)**

1. PNAS is one of the world's most cited and comprehensive multidisciplinary scientific journals
2. Wind turbines, solar farms, and house prices
3. Innovation and Prospects in Modern Science
4. Carol Black- Personal Property- Impacts on Neighbors and the Need for Adequate Setbacks
5. Tom Thompson- Setback recommendations Per Various Studies
6. Setbacks from Buildings, etc- Findings of Facts- Carol Black
7. Carol Black- critical area code landmarks and houses
8. Washington Department of Ecology: Noise and Vibration Resource Report
9. Energy Analysis and Environmental Impacts Division Lawrence Berkeley National Laboratory
10. Julie Clarkson Email- Sample Real Value Protection Plan
11. Real property value protection plan
12. Carol Black- County Code 9.05
13. Real Estate Consulting Report
14. Visual effect of Wind turbines on property value
15. Commercial Wind Turbine and Residential Home Values
16. Energy Policy: Wind turbines, solar farms, and house prices

## **F. Fire Suppression**

1. Findings of Fact Regarding Fire Prevention and Mitigation
2. Fires at wind farms 'underreported over fears of reputational damage'
3. Fire Suppression Systems in Wind Turbines
4. Wind-Turbine Fire Risk: The Time to Act is Now
5. An Overview of Wind Turbine Fire
6. Will Fire Protection be Required on All Wind Turbines?
7. Understanding Wind Turbine Fire Protection Options
8. How to Evaluate Fire Risk at Wind Farms
9. How to Enhance Wind Turbine Fire Safety?
10. The Complete Guide to Wind Turbine Fire Protection

## **G. Wires and Fire Insurance**

1. Nicole Frazier Email- Insurance Presentation & Risk for Crop & Farms
2. Nicole Frazier Email- Wind Turbines on Farms WA, OR, ID
3. Nicole Frazier Email- Risk Management Plan & Fire Mitigation Plan for HH Wind Plan
4. Nicole Frazier Email- Fire Mitigation Company
5. Nicole Frazier Email- Wind Turbines on Farms WA, OR, ID; 2:01 PM
6. Nicole Frazier Email- Other Insurance Companies
7. Nicole Frazier Email- Wind Turbines on Farms WA, OR, ID; 10:14 AM
8. Carol Black Email- EPA Noise level- report from 1974

## **H. Sensitive Parks**

1. Kane Weston Email- Wind Code Setback Section D

## **I. Health Effects**

1. Wind Turbine Syndrome: A Report on natural experiment & Your Guide to Wind Turbine Syndrome...a road map to a complicated subject
2. Health Effects of Wind Turbine Testimony of Ben Johnson versus MidAmerican Energy
3. Wind Turbine Noise and Human Health: A Four Decade History of Evidence that Wind Turbines Pose Risks
4. Infrasound from technical installations: Scientific basis for an assessment of health risks
5. Assessing Adverse Health Effects
6. Presentation before the Kansas Senate and Utilities Committee
7. Wind Turbines: Vacated/abandoned homes
8. A Fundamental basis for all living creatures, mechanotransduction, is significantly endangered
9. Separating myth from fact on Wind Turbine Noise
10. Efficient finite difference modeling of infrasound propagation
11. Ontario's Green Energy Policy vs. Social Justice
12. Infrasound Impacts at the Cellular Level
13. Transcript of Ken Mattsson on Infrasound
14. Infrasound Affects the Brain

15. Understanding subjective and situational factors of wind turbine noise annoyance
16. Responses of the ear to low frequency sounds, infrasound and wind turbines
17. Infrasound Physiological process; Ursula Bellut Staeck
18. Effects of low frequency noise from wind turbines on heart rate variability in healthy individuals
19. Epidemiological study on long-term health effects on low frequency noise produced by wind power stations in Japan
20. Negative Effect on High- Level Infrasound on Human Myocardial Contractility
21. Wind Turbines Make Waves
22. Environmental Noise Pollution
23. Effects of Industrial wind turbine noise on sleep and health
24. Why Does Egg Mortality Increase Near New Wind Industry?
25. Infrasound from technical installations: Scientific basis for an assessment of health risks
26. Julie Clarkson Email- Health effects – General
27. Health Effects of Wind Turbines: Testimony of Ben Johnson vs. MidAmerican Energy (Madison County, Iowa)
28. Adverse health effects of industrial wind turbines
29. Carol Black April 28 Letter
30. Review/ Revue- Industrial Wind Turbines and Adverse Health effects
31. Infrasound & Low Frequency Noise Guide
32. Long-Term Quantification and Characterisation of wind farm noise amplitude modulation
33. Human Health, Rights and Wind Turbine Deployment in Canada

**J. Comp Plan**

1. Carol Black April 23 Letter
2. Rural Community Residential District
3. Rural Residential Use
4. Critical Areas
5. Whitman County Comprehensive Plan

## **K. Statements Opposed to Code Changes**

1. Shane Roche Email
2. Kelli Cooper Online Submittal
3. Brian Clark Online Submittal
4. Nicholas Leland Online Submittal
5. Art Swannack Letter
6. Maria Amonette Email
7. Tyrel Burnett Email
8. Tom Thompson Email
9. Seth Thompson Email
10. Steve Redinger Email

## **L. PC Minutes (April 2, 2025- December 3, 2025)**

1. Planning Commission Workshop: April 2, 2025
2. Planning Commission Workshop: April 16, 2025
3. Planning Commission Workshop: May 7, 2025
4. Planning Commission Workshop: May 21, 2025
5. Planning Commission Workshop: June 4, 2025
6. Planning Commission Workshop: June 18, 2025
7. Planning Commission Workshop: July 2, 2025
8. Planning Commission Workshop: July 16, 2025
9. Planning Commission Workshop: October 1, 2025
10. Planning Commission Workshop: October 15, 2025
11. Planning Commission Workshop: October 29, 2025
12. Planning Commission Workshop: November 5, 2025
13. Planning Commission Workshop: November 12, 2025
14. Planning Commission Workshop: November 19, 2025
15. Planning Commission Workshop: December 3, 2025

## **M. Precautionary Principle**

1. Carol Black- Findings of Facts Precautionary Principle and Old Data

## **N. Miscellaneous**

1. Julie Clarkson Email- Whitman County Wind Turbine Letter
2. Eric & Lois Startin Email- County Wide Revisions
3. Bonnie Brumley Email- Wind Code Public Hearing Comment
4. Rick Grunewald Email- Wind Code Public Comment
5. Nancy Grunewald Email- Wind Code Public Comment
6. Craig Walters Email- Wind Code Public Hearing Comment
7. Robert Olsen Email- Comments on County Wide Wind Code Provisions
8. Carol Black Letter- June 20, 2025
9. Carol Black Letter- September 2, 2025
10. Carol Black Letter- October 6, 2025
11. Carol Black Letter- October 13, 2025
12. Carol Black Letter- October 21, 2025
13. Carol Black Letter- December 1, 2025
14. Donna Koziol Online Submittal
15. Kent Keller Email- Proposed commercial wind ordinance
16. J. Richard Alldredge Email- Wind farm in Whitman County
