

Addendum 1: Bid for One (1) New Diesel Powered Articulated Four Wheel Drive Loader & Trade

This Addendum serves to add the following specification to the original bid requirements: (Please refer to page 7, Warranty, Paragraph 3) and should read as follows:

- Bidder shall provide a full machine warranty (no deductible's) and permanently installed equipment to be free from latent and patent defect in material and workmanship and guarantees that he will give continuous and efficient service for a period of 4000 hours or 60 months after delivery.

(Note: The change is the underlined portion in the above Paragraph)

Please ensure that this addendum is included with the original 2016 Bid for One (1) New Diesel Powered Articulated 4WD Loader & Trade bid document.

Initial here indicating that you agree to the additional requirement outlined above.
