

WHITMAN COUNTY COMPREHENSIVE PLAN UPDATE

Virtual Public Open Houses, June 2, 16 & 30 2021

Come LEARN, SHARE, and JOIN THE CONVERSATION!

Whitman County welcomes you to participate in one of three upcoming virtual open houses for the Whitman County Comprehensive Plan Update. County staff and LDC, Inc. (consultant) will provide updates to the Comprehensive Plan project. At each virtual meeting, the project team will present draft "elements" related to specific topic areas (i.e., Land Use, Transportation, Parks) and will discuss goals and policies related to those elements. After the presentations, the project team encourages public engagement and comment. We welcome everyone who lives in Whitman County to attend!

Meeting Details

June 2	6 - 8:00 p.m.	Transportation / Economic Development Elements
June 16	6 - 8:00 p.m.	Parks, Recreation & Trails / Natural Resources & Ag. Conservation Public Services & Utilities Elements
June 30	6 - 8:00 p.m.	Land Use / Environmental Protection & Climate Change Elements

Links to the Virtual Meetings will be provided on Whitman County's Comprehensive Plan website: <https://whitmancounty.org/513/Comprehensive-Plan>

What is a Comprehensive Plan?

It is a document that helps guide the County in planning for the next 20 years.

How is it Created?

A comprehensive plan is created through community involvement. Whitman County has created an online survey, and there will be several opportunities over the summer to engage with the project. See the project schedule below and be a part of shaping Whitman County's future!
